

BENEFITS

As a state employee, you will be eligible for the following benefits. (Note: all benefits are subject to updates and changes according to bargaining unit agreements.)

Holidays

State employees receive paid holidays each year plus one personal (floating) holiday.

Vacation/Annual Leave

Vacation hours are earned depending upon time-base, bargaining unit agreement, and the length of State employment.

Sick Leave

Sick leave is a form of wage insurance that compensates employees during periods of absence due to personal illness or injury, or for the care of a sick or injured family member. The number of hours earned depends upon time-base and bargaining unit agreements.

Health

Numerous health insurance plans are available to employees and their dependents.

Dental

State employees and their eligible dependents are eligible for dental insurance available from one of several dental plans. The type of plan available is based upon your collective bargaining unit designation.

Vision

The Vision Care Program provides vision care coverage to employees and their eligible dependents.

Public Employees' Retirement System

State employee pensions are administered by the California Public Employees' Retirement System (CalPERS). Most full-time employees, hired to work more than six months, are automatically members of CalPERS.

Savings Plus Program

The Savings Plus Program is a benefit enabling employees to save money to increase financial independence at retirement.

FlexElect Program

FlexElect is a voluntary program which offers eligible employees significant tax advantages and can increase take home pay.
