**NOTES:**

*The current transportation act (IIJA) ends with FFY 2025/26. At the moment, there are no drafts of the next act that covers 2027 FSTIP/FTIP periods.*

*Estimated Apportionment reflects the total federal CMAQ/STBGP amount for California. Adjusted Distribution reflects the amount available to MPOs after SPR and oversight deductions.*

*MPOs should not program beyond their 4 year estimate, which helps prevent over programming.*

- 1. FFY 2026/27 assume no new transportation in effect by 10/2026 and extends FFY 2025/26 apportionments. FFY 2027/28 through FFY 2029/30 assume a past 10 year average growth of new transportation acts and ongoing years.*
- 2. Local Assistance oversight estimate: assume 5% increase per year.*
- 3. Because IIJA ends after FFY 2025/26 and no successor act has been released, FFY 2026/27–2029/30 estimates are based on historical growth trends and are subject to change.*
- 4. Local Assistance review on 01/12/2026.*
- 5. Office of Federal Resources review on 01/15/2026.*
