Tribal Transportation Improvement Program

2024 Project Detail Report

(STIP Design and Construction Activities)

California

TTP Transportation Improvement Program (TTPTIP)

25 CFR 170.424

(a) Each year, FHWA will compile the approved TTIPs for all of the Tribes into one document called the TTPTIP. This document will identify all expected projects and activities over a four-year period and will be organized by fiscal year, State, and Tribe.

(b) FHWA and BIA will post the approved TTPTIP on their respective Web sites. A subset of the TTPTIP that identifies only design and construction activities will annually be provided to the pertinent FHWA Division office for further transmittal to each State Transportation Office/Department for inclusion in the STIP without further action per 23 U.S.C. 201(c)(4).

The TTPTIP is a financially constrained prioritized list of transportation projects and activities eligible for TTP funding covering a period of four years that is developed by BIA and FHWA based on each Tribe's submission of their TTIP or Tribal priority list. It is required for projects and activities to be eligible for funding under title 23 U.S.C. and title 49 U.S.C. chapter 53. The Secretary of Transportation reviews and approves the TTPTIP and distributes copies to each State for inclusion in their respective STIPs without further action.

Appendix B

FHWA Federal Lands Highway (FLH) Projects

The Federal Lands Highway Program provides funding for use by the Federal Land Management Agencies (FLMAs) and federal Highway Administration for the planning, design, construction, or reconstruction of designated public roads that provide access to, through or within Federal or Tribal lands. The Federal Lands Highway Divisions and the FLMAs (NPS, FWS, FS, BLM, USACE and BOR) jointly develop transportation projects, based on the need and availability of funds. These projects are included by reference in Appendix B. The link to the programming documents is provided below, and the separate projects related to the Rural Non-MPO regions of the State are attached.
