Notes:

1) Program overhead (17% of direct workload) and contract administration (10% of A&E) are built into PY totals. Salary and wages and benefits (51.50%) are built into Personal Services dollar calculations.
2) Program ICRP rate of 38.36% applies to non-reimbursed projects (I.e., STIP, Federal Funds and Bond). Full ICRP rate of 67.18% applies only to reimbursed work.
3) Average PYE cost rate refers to the actual cost per PYE in the districts as set by approved contracts.

		88%		93%

Notes:

1) Expended PYs are based on past-year actuals from Caltrans' financial system.
2) Expended dollars are based on the last completed accounting period (as of December 2017) for FY 2016-17 in Caltrans' financial system.

Dollars are a more accurate comparison of the actual expenditures compared to budget than the comparison of PY/COT/PYE or full-time equivalents (FTE).
The COS Program tracks budget and expenditures by dollars. However, it is difficult to capture expended FTEs.

Some of the key differences in FTEs burned vs dollars burned are due to the following:

- Late time sheets
- Push to reduce leave balances and increased sick leave usage
- Implementation of two Professional Development Days
