| TOTAL | 227,519,041 | 14,258 | 393,081,626 | - |

## Footnotes:

Balances in the 3rd year (October 1, 2018) are subject to reprogramming on November 1, 2019. These balances include the Federal Fiscal Year (FFY) 2019 "Actual" apportionments (dated October 18, 2019) and FFY 2020 "Estimated" apportionments (dated November 8, 2019).
${ }^{1}$ Indicates all apportionments not yet obligated.
${ }^{2}$ Totals reflect balances in the third year.
${ }^{3}$ These Regions are in air quality attainment and cannot use unobligated CMAQ apportionments, which are deobligations of closed out projects. It is anticipated that any CMAQ balance that accumulates in a Region in air quality attainment will be included in a future CMAQ rescission or transferred to another Region that over-delivered prior to the end of the current FFY.
