Before asking your students to raise their hands, please read through all possible answer choices so they will know their choices. Each Student may only answer once.																															
<ul> <li>Ask your students as a group the question "How did you arrive at school today?"</li> <li>Then, reread each answer choice and record the number of students that raised their hands for each. Place just one character or</li> </ul>																															
number in each box.  • Follow the same procedure for the question "How do you plan to leave for home after school?"																															
<ul> <li>You can conduct the counts once per day but during the count please ask students both the school arrival and departure questions.</li> <li>Please conduct this count regardless of weather conditions (i.e., ask these questions on rainy days, too).</li> </ul>
