SB 760:		
Description:	Explanation:	Status:
Transportation funding: Assembly	This bill would establish a Division of Active	Ordered to the
Active transportation: Complete streets	Transportation within the department and require that an undersecretary of the Transportation Agency be assigned to give Attention to active transportation program Matters to guide toward meeting the departments Active transportation program goals and objectives.	
AB 1755:		
Description:	Explanation:	Status:
Bicycles: yielding Committee	This bill would, notwithstanding those provisions Authorize a person operating a bicycle approaching A stop sign, after slowing to a reasonable speed and Yielding the right-of-way, to cautiously make a turn Or proceed through the intersection without stopping, Unless safety considerations require otherwise.	Referred to Assembly Natural Resources

AB 342:

Description:

Vehicles automated
Speed performance: five
Year pilot program

Explanation:

Existing law establishes a basic speed law that prohibits a person from driving a vehicle upon a highway at a speed greater than is reasonable or Prudent given the weather, visibility, traffic highway Conditions, and in no event at a speed that endangers The safety of persons or property. This bill would authorize, no later than January 1, 2019, the City of San Jose and the City and County of San Francisco to implement a 5-year pilot program Utilizing an automated speed enforcement system (ASE system) for speed limit enforcement on certain Streets.

Status:

Assembly - died
