

FHWA distributes CRP funds (per cycle) to State MPOs

MPOs manage CRP funds and select CRP projects to be funded

*For local agencies in rural areas where there is no MPO, the RTPA shall serve as the MPO.

Local Agencies compete for projects through their MPO (or RTPA for rural non-MPO areas)

Awarded projects eligibility verified by CalTrans DLA HQ CRP Coordinator

*Two tiers of eligibility approval (PE Phase Only or All Phases)

After obtaining eligibility approval; local agencies submit RFA to District

District reviews, inputs into FADS, and submits to HQ Implementation

*Submission package shall include HQ approved eligibility review

HQ Implementation verifies HQ DLA CRP project eligibility approval before processing RFA

FHWA performs final review and approval
