FFY 2020 - 21
Local Assistance Delivery
Estimated Formula OA Funds as of May 31, 2021

Information:

- < This May 31, 2021 report is based on the Department's Federal Aid Data System (FADS) transactions.
- < Obligations include obligations, deobligations and Federal Transit Administration (FTA) transfers.
- < The federal fiscal year (FFY) 2020-21 (FFY 2021) RSTP Exchange is included in the March 2021 Obligation Authority (OA) delivery report in the FFY 2021 Obligations amount.

Footnotes:

- ¹ The Locals' estimated base Federal Fiscal Year (FFY) 2020-21 (FFY 2021) Obligation Authority (OA) is based on the amount provided by our Department's Office of Federal Resources (OFR) on February, 3, 2021. The OFR's amount is based on the Federal Highway Administration (FHWA) FFY 2021 OA (FHWA N4520.268) dated January 15, 2021. In May 2021, the Estimated FFY 2021 OA amount was increased by \$24,055,956 which is carryover of the unused Local OA amount from FFY 2020 August Redistribution. The repayment of the \$24,055,956 was discussed at the October 2020 CTC Meeting and the repayment was confirmed by OFR in May 2021.
- ² Balance of FFY 2020 OA (last FFY's OA balance) -- This is the amount a Region/Program must pay back if over delivered or the amount a Region/Program will receive to "make whole" if under delivered based on the Division of Local Assistance's (DLA's) OA Management Policy. Amounts shown in parenthesis are amounts owed and positive (non-parenthesis numbers) amounts are to be repaid to Regions/Programs. Please see September 30, 2020 OA delivery report for details on this amount.
- ³ Required by Sections 182.6(n) and 182.7(k) of the California Streets and Highways Code. The distribution of the estimated oversight amount is based on the draft FFY 2021 State/Local Splits report from OFR dated February 3, 2021 and Division of Local Assistance's Oversight Spread to Programs dated March, 12, 2021.
- ⁴ Received agreements during FFY 2021 from Region(s) for the Local Streets and Roads (LS&R) Statewide Needs Assessment Funding Concurrence.
- ⁵ This is the FFY 2021 adjusted estimated base OA, which includes adjustments for the FFY 2020 OA over or under delivery, the FFY 2021 Estimated Oversight Adjustment and the LS&R Needs Assessment.
- ⁶ Balance of FFY 2021 estimated OA per date of report -- This is the running balance of FFY 2021 estimated OA. At the end of the FFY, this is the amount a Region/Program must pay back if over delivered or the amount a Region/Program will receive to "make whole" if under delivered based on DLA's OA Management Policy. Amounts shown in parenthesis are owed back and positive (non-parenthesis numbers) amounts are owed to those Regions/Programs. If OA is lost to the State due to DLA under delivery as a whole, under delivered OA may not be available to repay Regions and/or Programs.
- ⁷ San Diego FFY 2021 Obligations column amount includes \$8,446,196 of regional OA obligated in conjunction with state apportionments in December 2020 for Corridor Border Infrastructure project STPBIPL-6066(170).
- ⁸ In March 2021, \$40,000,000 of Local federal-aid Safety apportionments and OA were transferred to OFR per Reference 2.5h and 2.5i from the January 27-28, 2021, California Transportation Commission meeting, in exchange for State Highway Account (SHA) funds. The transfer and exchange is allowed per Senate Bill (SB) 137 (Chapter 639 of the 2019 Statutes), effective October 8, 2019, which authorized the Department to allow up to \$100,000,000 of federal Local Assistance funds to be exchanged for SHA funds. The purpose of the exchange is to fund all Cycle 10 local Highway Safety Improvement Program (HSIP) projects with State and local funds. The exchange will lead to increased efficiency for local agencies by reducing the time and resources needed to deliver the Cycle 10 HSIP projects.
