Making Conservation
a California Way of Life.

September 28, 2023

Ms. Elissa Konove
Acting Division Administrator
Federal Highway Administration, California Division
650 Capitol Mall, Suite 4-100
Sacramento, CA 95814

Dear Ms. Konove:

As required under 23 CFR 668.111(c), we request your consideration to approve Disaster CA23-4 August Tropical Storm Hilary in Fresno, Imperial, Inyo, Kern, Los Angeles, Mono, Orange, Riverside, San Bernardino, San Diego, Siskiyou, Tulare, and Ventura counties as eligible under the Emergency Relief Program.

The Governor's three Proclamations executed August 19, 2023, August 20, 2023, and September 12, 2023, are included as part of the Disaster Survey Summary Report (DSSR), attached for your review.

The DSSR contains the latest list of identified damaged sites and their corresponding currently estimated repair costs. The preliminary damage estimate is in the range of \$77 million for State damages and \$69.65 million for Emergency Relief-eligible Local damages, subject to increase. The estimated federal share of repair costs on eligible roadways will be required to exceed the \$700,000 threshold per 23 CFR 668.105(j) as indicated in the attached Damage Survey Summary Report.

As provided for in the FHWA Emergency Relief Manual, updated May 31, 2013, under Chapter III, Section A, Detailed Damage Inspections, the Detailed Damage Inspection Reports / Damage Assessment Forms (DDIR/DAF) "are completed at a later date, usually after the Division Administrator has made a finding of ER eligibility." FHWA's Acknowledgement letter dated August 23, 2023, for this disaster included that "all DAFs must be completed by November 30, 2023". Given the anticipated timeframe of a corresponding Finding of Eligibility and the necessary work to complete damage assessment, it is anticipated that additional time will be needed. Therefore, as part of this application the State of California formally requests the Damage Assessment Form due date be

extended to December 30, 2023, in order to allow field staff to complete and submit DAFs to FHWA for approval.

Upon finding that the above Disaster is eligible, a Program of Projects will be developed and submitted to FHWA within 3 months of the Finding of Eligibility letter, as outlined in 23 CFR 668.13(a). If you have any questions or concerns, please contact me at (916) 654-3043, or by e-mail sent to <fardad.falakfarsa@dot.ca.gov>.

Sincerely,

FARDAD FALAKFARSA
Chief
Office of Federal Resources
