Dear Mr. Mammano:

Under the provisions of Section 125, Title 23 of the United States Code, this is a Letter of Intent by the California Department of Transportation to request Emergency Relief (ER) funds to assist in the cost of repairing damages on Federal-aid highways in California caused by Tropical Storm Hilary.

Beginning on August 18, 2023, Tropical Storm Hilary bringing heavy rain, flooding, lightning, and gusty winds, along with the threat of mud and debris flows, impacting Fresno, Imperial, Inyo, Kern, Los Angeles, Mono, Orange, Riverside, San Bernardino, San Diego, Tulare, and Ventura counties. The precipitation, and flooding caused damage to and forced the closure of roads and highways in the impacted counties.

The preliminary damage estimate information is being gathered by the State and Local agencies affected. Additional information will be provided with the subsequent ER Application under Disaster CA23-4.

Under separate cover, the Office of Federal Resources will be submitting the ER Application, along with the Governor's Proclamation(s) and Damage Survey Summary Report, to provide the Division Administrator with a basis to make a finding that the disaster is eligible for ER funding.
