Making Conservation
a California Way of Life.

June 25, 2025

Ms. Elissa Konove
Division Administrator
Federal Highway Administration, California Division
650 Capitol Mall, Suite 4-100
Sacramento, CA 95814

Dear Ms. Konove:

As required under 23 CFR 668.111(c), we request your consideration to approve Disaster CA25-3 December 2024 Winter Storms in Trinity County as eligible under the Emergency Relief Program.

A Governor's Proclamation executed May 28, 2025 is included as part of the Disaster Survey Summary Report (DSSR), attached for your review. Based on the Governor's Proclamation, the December 2024 Winter Storms began on December 15, 2024.

The DSSR contains the latest list of identified damaged sites and their corresponding currently estimated repair costs. The preliminary damage estimate is in the range of \$4.04 million for Emergency Relief-eligible Local damages, subject to increase. There are no reported State damages. The estimated federal share of repair costs on eligible roadways will be required to exceed the \$700,000 threshold per 23 CFR 668.105(j) as indicated in the attached Damage Survey Summary Report.

Upon finding that the above Disaster is eligible, a Program of Projects will be developed and submitted to FHWA within 3 months of the Finding of Eligibility letter, as outlined in 23 CFR 668.13(a). If you have any questions or concerns, please contact me at (916) 654-3043, or by e mail sent to <fardad.falakfarsa@dot.ca.gov>.

Sincerely,

Fardad Falakfarsa

FARDAD FALAKFARSA

Chief

Office of Federal Resources
