WHEREAS on August 1, 2021, the Antelope Fire began burning and continues to burn in Siskiyou County; and

WHEREAS on August 4, 2021, the River Fire began burning and continues to burn in Nevada and Placer counties; and

WHEREAS these fires have burned thousands of acres, destroyed homes, and continue to threaten additional homes and other structures, necessitating the evacuation of thousands of residents; and

WHEREAS these fires have forced the closure of major roadways, have damaged, and are threatening, other critical infrastructure; and

WHEREAS the Federal Emergency Management Agency has approved a Fire Management Assistant Grant to assist with the mitigation, management, and control of the River Fire; and

WHEREAS strong winds, high temperatures, drought conditions, and dry fuels have further increased the spread of these fires; and

WHEREAS under the provisions of Government Code section 8558(b), I find that conditions of extreme peril to the safety of persons and property exist due to these fires; and

WHEREAS under the provisions of Government Code section 8558(b), I find that the conditions caused by these fires, by reason of their magnitude, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the magnitude of the damage caused by these fires; and
