Request for Project Applications
California Federal Lands Access Program

The Federal Lands Access Program (FLAP) presents an exciting opportunity for improvements to state, county, tribal, and local government owned or maintained transportation facilities that provide access to, are adjacent to, or are located within Federal lands.

The California Programming Decisions Committee (PDC) is currently soliciting Project Applications to develop the Federal Fiscal Year 2026 to 2028 program of transportation projects. The estimated federal program funding availability is approximately $90 million dollars.

Deadline for submittals: May 27, 2021

Link to Project Application: https://highways.dot.gov//federal-lands/programs-access/ca

Eligibility

- Any State, County, Local Government or Tribe that owns or maintains a public transportation facility providing access to Federal lands.
- The project proposes improvement to any public highway, road, bridge, trail or transit system located on or adjacent to Federal lands, typically no farther than 10 miles away.
  - Federal lands are lands in the United States owned by the Federal government. Land leased to a Federal Land Management Agency is not eligible
  - Tribal roads maintained by the tribe are eligible, but the roadway must access Federal lands other than tribal (i.e. a NPS, FWS site, etc.).
- Commit to the minimum 11.47% match requirements.
  - Hard match (cash) is preferred.
  - Other United States Code Title 23 and 49 funds cannot be used as match, except for:
    - Federal Lands Transportation Program (FLTP)
    - Tribal Transportation Program (TTP)
  - See the Frequently Asked Questions (FAQ) for additional information on match, including in-kind allowances and toll credit usage.
- Confirm support from the Federal Land Management Agency (FLMA) site the project accesses.
- Must meet the project eligibility under U.S.C. Title 23 such as:
  - Rehabilitation / Restoration / Construction / Reconstruction Projects
  - Engineering and Environmental Compliance
  - Operation & Maintenance of Transit Facilities
  - Planning & Research related to Transportation
Project Preference
Per legislation, preference must be given to transportation facilities providing access to Federal high-use recreation sites and economic generators.
