Dear Ms. Borders:

Enclosed please find the City of Arroyo Grande's Bridge Preventive Maintenance Program (BPMP) submittal for Federal Fiscal Year 2017/18.

The City is requesting that the Traffic Way and Fair Oaks Avenue bridges over Arroyo Grande Creek be added to the program. It is our understanding that the work recommendations outlined in the Bridge Inspection Reports are eligible expenditures under the Program.

Thank you for the opportunity to apply for this program. If you have any questions please contact Robin Dickerson, City Engineer, at (805) 473-5441.
