**Subject: Bridge Preventative Maintenance Program Miscellaneous Preventive  
Bridge Repairs 2013/14**

Dear Mrs. Borders:

Enclosed is the County of San Luis Obispo's updated Bridge Preventive Maintenance Program (BPMP) submittal for Miscellaneous Preventive Bridge Repairs 2013/14 that includes:

- Cost Spreadsheet
- Bridge Inspection Reports (BIR's)

The County of San Luis Obispo Department of Public Work's certifies this Bridge Preventative Maintenance Program complies with the Caltrans Local Assistance Bridge Preventative Maintenance Program Guidelines for Local Agencies (approved on February 27, 2006).

The County has elected to remove Nacimiento Lake Drive Bridge, at San Marcos Creek, Bridge No. 49C-0355 from the Bridge Preventative Maintenance Program due to environmental concerns.

Thank you for the opportunity to participate and apply for this program. If there are any questions, please feel free to contact Steve Jones at (805) 781-5013 or [sjones@co.slo.ca.us](mailto:sjones@co.slo.ca.us)

Sincerely,
