

### **Priority Legislative Budget Projects Guideline Modification Notice**

The current guidelines have been taken off the website and are being significantly revised to allow for advance payment and to streamline the process. The advance payment will still require a funds transfer agreement and it will need to be executed by June 25<sup>th</sup> so that we can encumber the funds by June 30<sup>th</sup>. We are working hard to get the guidelines revised and uploaded on the website within a week. Thanks for your patience while we work through the process.
