

Reconnecting Communities: Highways to Boulevards

Application Workshop #2

August 24, 2023. 8:30-10:00am

Reconnecting Communities: Highways to Boulevards Program

\$149 million was established in the FY 22/23 State Budget to reconnect communities divided by transportation infrastructure. A “Call for Communities” was issued back in June. We will award to three Communities that demonstrate the most need to address the historical harm to their communities.

The proposed Green TI, parkland served by a small road, would replace a mile of the Terminal Island Freeway in Long Beach, California. [Metrolink \(CN\)](#)

Call for Communities

7 PROGRAMMATIC GOALS (PARAPHRASED)

1. Restore Community Connectivity
2. Provide matching funds for federal grants
3. Removing barriers associated with transportation infrastructure
4. Improve travel options
5. Opportunities for implementation of affordable housing
6. Avoid displacement effects
7. Advance Community-Based transportation planning

How to Participate in Polls – Mobile

The screenshot shows a mobile application interface for a meeting. At the top, a poll question is displayed: "Are you planning on using these program funds for the match requirements on the Federal RCP Cycle 2 applications?". Below the question are three radio button options: "Yes", "No", and "I wasn't, but I might consider it now.". The "I wasn't, but I might consider it now." option is selected. A "Submit Vote" button is located below the options. Below the poll, the results are shown: "Yes 23% (3)", "No 30% (4)", and "I wasn't, but I might consider it now. 46% (6)". A total of "13 responses" is indicated. The background shows a presentation slide with the same poll question and a meeting chat window at the bottom with several participants' video thumbnails.

Community Engagement vs. Involvement

Engagement

- Focuses on initial engagement of the community at the start of a project.
- Takes place before applications are submitted.
- Used to identify the preliminary needs.
- Obtain public feedback through public meetings and outreach efforts.
- Successful/competitive proposal will likely have considered Community Engagement strategies in preparing their applications.

Present at Public Meeting.
Surveys
Canvassing or Noticing

Social Media
Design Charrettes

Involvement

- Continuous involvement of community members through each phase.
- May be formal partnerships or involvement opportunities for community members.
- Community participation on identifying the specific barriers facing their community and the needs/wants.
- A successful/competitive proposal will consider potential involvement opportunities.

Steering Committee/Advisory Board
Working Groups
Locally Sourcing Trades/Materials...etc..
Formal Partnerships
Participatory Research

Takeaways from App. Workshop #1

- Use the resources provided on the website. Particularly the **Resource Document** accessible under the “Resources” drop down will be very helpful!
- Use the **pre-screening tools** (checklist and questions) to determine alignment with the program goals.
- When preparing the Attachment A: Proposal Narrative, really emphasize the story you want to tell the evaluators.
- **Follow Instructions**, either within the documents themselves or the Application Instructions document available on the website.
- Applicants may be in an early phase of work or may be ready for Construction. After award, awardees will have any prior work reviewed. Some updates may be required to conform to the goals of the program.

Poll Question #2

How have the Community Members been engaged/involved?
Select all that apply.

- a. Presenting at Public Meetings
- b. Steering Committee or Advisory Board
- c. Surveys / Cognitive Mapping
- d. Website / Social Media
- e. Community Working Groups
- f. Design Charettes
- g. Participatory Research or Budgeting
- h. Sub-Contract or Formal Partnerships Established
- i. Preparation of Proposal Efforts

Proposed Improvement Area

Grant Categories

Completion Attachment B

Grant Categories

BASED ON 2010 US CENSUS BUREAU DESIGNATION

Three communities will be awarded under three grant categories:

1. Urban –Communities with populations of 50,000 or more. Urban clusters with at least 2,500 but fewer than 50,000.
2. Rural – Areas with less than 50,000 people.
3. Corridor – Linear geographic facility that support the needs of multiple underserved rural or urban communities. The corridor does not necessarily need to be the eligible transportation barrier facility but must at a minimum be impacted by the eligible facility.

Proposed Improvement Area

Approach for both Rural and Urban

To Start:

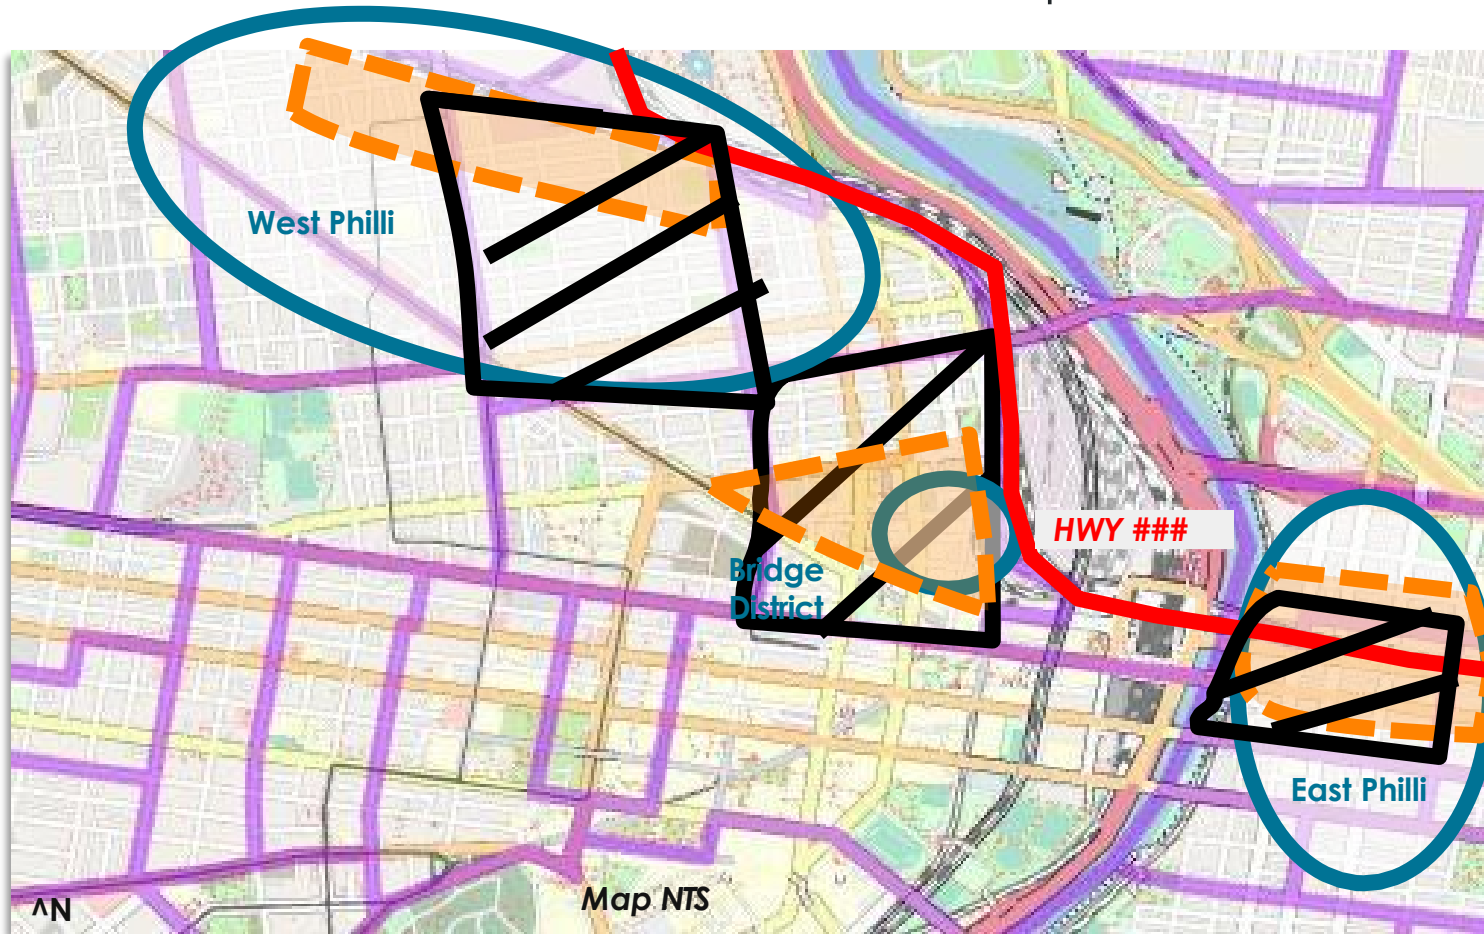

- Have a map of the area. (This example includes some overlaid census tracts)
- Show where your community is.
- Create your Proposed Improvement Area (PIA). (5 sq.mi. in Urban, 10 sq.mi. Rural)
- Look at what census tracts are within your Proposed Improvement Area. (all census tracts within your PIA shall be included in Attachment C.)
- Add north arrows and any necessary labels to clarify key landmarks or facilities

Map NTS

Proposed Improvement Area

Example of *Corridor*

To Start:

- Have a map of the area.
- Identify the proposed corridor.
- Show each Community along the linear Corridor
- Create your Proposed Improvement Area for **EACH** community (5 sq.mi. in Urban, 10 sq.mi. Rural)
- Look at what census tracts are within your Proposed Improvement Areas.
- Add north arrows and any necessary labels to clarify key landmarks or facilities

Attachment B: Preparation of the Map

Lead Applicant: _____ Project Name: _____

RC:H2B

Attachment B: Proposed Improvement Area Map

Directions:

1. Paste an image of your Proposed Improvement Area in the box provided below that includes all the components listed out in the below instructions.
2. You may add additional boxes to include as many views of the area as needed to clearly show the required map elements. For the Corridor Grant Category, include a map for each of the Proposed Improvement Areas as well as a zoomed-out view showing the relationship of all Proposed Improvement Areas together on one map.
3. Save this form as a PDF and attach the PDF to your Smartsheet form application in the section "ATTACHMENTS" at the end. PDF file size shall not exceed 15MB.

PROPOSED IMPROVEMENT AREA

(DELETE TEXT)

Insert a map of all your proposed improvement area(s) here. At a minimum, the map should include the following elements:

- Community or Communities receiving the proposed benefits
- Boundaries of the Proposed Improvement Area
- Census tract boundaries
- Clear labels
- North Arrow

Key Points:

- Proposed Improvement Areas (PIA) can be any shape as long as they don't exceed the area of 5 or 10 sq.mi.
- For Urban and Rural applications place your PIA map image into the box on the first page.
- For Corridor application, have the fully zoomed out image on the first page to see the relationship of all the Communities being proposed.
- Also for Corridor, you may use additional pages and zoom in on each Community/PIA as needed.
- PDF the document prior to submitting.

Poll Question #3

Which Grant Category will you be applying for?

- a. Urban
- b. Rural
- c. Corridor (in an urban area)
- d. Corridor (in a rural area)
- e. Corridor (spans both urban and rural areas)
- f. Unknown

Please note, there is only one Corridor Grant Category. The breakdown shown here is for information purposes only.

Partnership Structures

Attachment D

Attachment D: Partnership Structure

DEFINITIONS

- **Partner-** May include, but not limited to state agencies, units of local government, MPOs, community groups, non-profit organizations, and CBOs who play a crucial role in defining the needs and developing the scope of proposal.
- **Co-applicant-**An eligible applicant who is jointly involved in the submittal of the program application. Multiple co-applicants are encouraged to establish partnerships between agencies to address barriers in underserved communities caused by a transportation facility. Caltrans must be a co-applicant if the eligible facility is located on the **State Highway System (SHS)**.
- **Partnership Structure-**The process or model in which active partnerships are developed or established. Examples include *community advisory boards/steering committees, a partnership agreement, letter of support or commitment, MOU, and budget resolutions or letters.*
