2. **REVOCATION/CANCELLATION:** This permit may be revoked by the Department for noncompliance with permit provisions or for failure of the permittee, or their representative to adhere to direction given by a Departmental representative. These provisions are subject to modification or abrogation at any time. This permit may be temporarily suspended due to construction or other State operations at, or within, the vicinity of the site.

   Permittee may cancel their permit at any time without consequence from the Department. Permittees using contractors are responsible for terminating those arrangements.

3. **ASSIGNMENT:** No parties other than the permittee, or permittee’s authorized representative, are allowed to work under this permit.

4. **ACCEPTANCE OF PROVISIONS:** Permittee understands and agrees to accept these Adopt-A-Highway Permit Special Provisions and all attachments to this permit, for any work to be performed under this permit. It is understood and agreed by the permittee that performing work under this permit shall constitute acceptance.

5. **PERMITTEE RESPONSIBILITY:** No person shall enter the State’s right of way to perform work until the Department’s Maintenance Supervisor has given the permittee’s group/crew leader a safety orientation, and, all participants have received safety training from the permittee’s group/crew leader as described in items 20 and 24.

   It is the responsibility of the permittee to notify the District Adopt-A-Highway Coordinator of any change of permittee’s address, phone number, or contact person.

6. **PLAN CHANGES:** Changes to plans, specifications, and permit provisions are not allowed without prior approval from the Department.

7. **AGE OF PARTICIPANTS:** No minors under the age of 16 are permitted to participate in the program. Minors, 16 and 17 years of age, may participate; however, there must be one adult supervisor for every five minors present at the work site. The adult supervisor must be at least 21 years old and must walk along with the group. Volunteer group leaders must be adults who are at least 21 years old.

8. **BEGINNING OF WORK:** Work authorized by this permit shall begin after a safety orientation has been completed and within 30 calendar days from the date of issuance, regardless of whether or not the permittee's Adopt-A-Highway courtesy sign(s) and/or recognition panel(s) have been installed. Work shall not be discontinued if the permittee's courtesy sign is damaged or stolen.

9. **ADVANCE NOTICE OF WORK:** Permittee must notify the Department’s Maintenance Supervisor listed on Attachment A (Adopt-A-Highway Special Provisions) of their plans to work at least five days, but no more than one month, before the event.

10. **WORK DAYS AND HOURS:** Work must be performed during daylight hours. If weather (or other adverse circumstance) causes decreased visibility or a public hazard, work shall immediately be discontinued. Work shall not be conducted on, or within twenty-four hours preceding, the following holidays or holiday weekends: New Year’s Day, Martin Luther King, Jr.’s Birthday, Washington’s Birthday, Cesar Chavez’s Birthday, Easter, Memorial Day, Independence Day (July 4th), Labor Day, Veteran’s Day, Thanksgiving and the day after, and Christmas. 13. **PERMIT AT WORK SITE:** Permittee shall keep the complete permit package (Adopt-A-Highway Encroachment Permit, Adopt-A-Highway Permit Special Provisions, and if applicable, plans and work schedule) or a copy thereof, at the work site and show it upon request to any Department representative or law enforcement officer. If the permit package is not kept and made available at the work site, the work shall be suspended. In addition, a copy of the encroachment permit must be displayed in the windshield of each vehicle parked on the right of way. Vehicles without permits may receive traffic citations.

14. **PARKING AT THE WORK SITE:** Participant’s personal vehicles shall not interfere with the free flow of traffic or pedestrians. Vehicles used to transport participants or materials may legally park on the right of way provided that they are located completely off of the pavement and a minimum of six feet from any traffic lane. If this is not possible, participants must walk to and from the site or, if the site has a shoulder, participants can use a drop-off and pick-up arrangement.

15. **WORK PROCEDURES:** Work shall proceed in the direction facing traffic. A posted safety lookout shall be used when fellow participants are unable to watch oncoming traffic.

The Department will provide these and, if needed, litter pickers to volunteers free of charge. In addition, participants are required to wear long pants and substantial leather shoes or boots with ankle support. Any State-furnished, personal protective equipment, unused materials, and tools shall be returned upon termination of the permit.

18. **LITTER BAGS:** Participants shall use white, Adopt-A-Highway bags provided by the Department. Securely tied, filled bags must be placed at least six feet from the edge of traffic lanes and off of paved shoulders. Bags must be placed in locations where they are not obstructing drainage and where Departmental maintenance forces can easily see them and safely retrieve them. Whenever possible, bags...
should be stacked together and/or placed 100 feet from structures. It is important for participants to leave their filled bags at the site so that the Department can verify that work frequencies are being met. Also, the monthly count of white bags collected, enables the Department to quantify the value of the Adopt-A-Highway Program. (Participants may take bags of recyclables home.)

19. STORAGE OF EQUIPMENT AND MATERIALS: Unless specified in the Permittee's planting and/or work plans, storage of equipment and materials (other than filled, Adopt-A-Highway litter bags) on the State right of way is not authorized under this permit.

22. WHEN AN ADOPT-A-HIGHWAY CONTRACTOR IS UTILIZED: Individuals, organizations, and businesses may adopt segments of highway and have the required adoption work performed by a professional business through contract or agreement.
