**Opening comments from Industry & New Industry Member**

- Dennis McElroy nominated to represent Recycling at the ATG
- Two vacancies were left to fill in the industry side of the STG
  - One position filled by Fernando Aragon

- Looking to fill other position

### **CIR Working Group Update & Data Collection**

- Submitted nSSPs, MPQP, and CTM to the ATG
- Received approval from Phil Reader, Tom Pyle, and Ken Solak
- Still require approval from a few ATG members
- Specifications should be approved by the end of the month
- Working group will be disbanded because work is completed
- Will need future working group assembled to work on data collection and analysis
- May need input/concerns/ideas on data analysis ideas
- **Action Item:** Marco will reach out to Darren for feedback on data collection
- **Action Item:** Set up date to discuss future working group for CIR
  - February 18, 2020 2:00-4:00 pm

### **PDR Training Update – Survey Monkey Results**

- Discussion of survey results
- Collected 36 responses from attendees
- Most people were somewhat confident on using IPR technologies, but need further learning and follow-up
- Most people left with more knowledge than came in with
- Recommendation for D07 to implement on smaller projects
- Recommendation for top-down promotion
- As part of PID phase need to consider Recycling
- Discussion of follow-up and future in-person trainings
- **Action Item:** Devise a plan to follow-up with Districts for IPR and set up a date for meeting
  - May be participants from training

### **CCPR Scoping Document – Comments from ATG**

- Industry will handle comments from Phil
- May need to scale back scope of the scoping document because may be difficult to get 6 projects. May want just one pilot project or no pilot project, just to get nSSP moving
- Discussion of how projects are selected and funding
- Need to increase staffing to chair working groups
- **Action Item:** Respond to comments on CCPR scoping document by 2/10/2020
- **Action Item:** Allen will send list of groups that he is chairing

### **New Scoping Document – Plastic Road**

- Literature review of the different processes
- Plastics projects should go through the STG and working groups
- Caltrans needs more staffing to push forward Recycling technologies
