## Old Business

### 1. Update on previous Action Items

As this is the first meeting, there were no previous action items.

### 2. Dan talked a little about the PMPC SOP Roll out meeting. There was discussions regarding the timing of the meeting. It was suggested that there might be a need for a repeat of this meeting in SoCal. Russell indicated that he thought it was a good meeting.

From the ATG 1/4ly meeting – Status regarding batch plants. Russell indicated that he has received positive input that these would be of value to PMPC members. Tours are only needed for HMA plants.
