

## A&E Contract Outreach District 5 Questions & Answer

Will Interview be via WebEx or in person?

**The interview will be conducted via WebEx.**

Will this power point be shared with the group here?

**Yes, will be placed on the DPAC website.**

Who currently providing these services to Caltrans? Who are in current bench?

**Existing contract is 06A2495 and consultant is Far Western. There is no current bench. Department will review each SOQ submitted for meeting the minimum qualifications and the short listed will be invited for an oral interview.**

Will we be able to add staff to the cost proposal that do not have a 330-resume form as part of the RFQ (for instance, field staff that may have been hired between submittal and cost negotiation)

**After the SOQ submittal date and prior to the contract execution, any addition of personnel is prohibited. After the contract is executed, additions of staff will not be allowed within 6 months of Request for Qualifications (RFQ) start date, regardless of contract execution date.**

Is District 5 only looking for one firm to award the on-call contract or is there a chance that multiple firms could be awarded?

**Contract will be awarded to one prime.**
