District Small Business Liaisons

Chloe Doyle

District 6 (Fresno/Bakersfield)

(559) 908-0269

Chloe.Doyle@dot.ca.gov

Office of Civil Rights (OCR)

Promotes equal opportunity in Caltrans programs, services and activities.

- Disadvantage Business Enterprise (DBE) Program Overview
- DBE Eligibility & Certification Process
- DBE Statewide Goal: 22.2%
- DBE Participation Goal: Anticipated range of 20-23%

DBE Questions?

- Contact the DBE “Analyst of the Day” at (916) 324-1700 or DBE.certification@dot.ca.gov.
- Email the OCR Outreach Branch at smallbusinessadvocate@dot.ca.gov.

For more information please visit:

<https://dot.ca.gov/programs/civil-rights>

DBE Program Overview

DBE Eligibility:

- The business must be at least 51% owned by a socially and economically disadvantaged individual(s): Presumptive groups include women, Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, Subcontinent Asian-Americans, or any individual found to be socially and economically disadvantaged on a case-by-case basis
- The business's last 3-year average gross receipts cannot exceed \$28.48 million (varies by industry)
- Personal net worth of the disadvantaged owner(s) cannot exceed \$1.32 million
- Owner's duties must include managerial and operational control of the business
- Must be independently owned and operated

Recent Update:

The Final Rule, effective May 9th, 2024.

- The Final Rule is the most significant overhaul to the DBE Program in a decade
- Increased personal net worth (PNW) limits
- Revises the process for interstate certification and make it easier
- Provides answers to common technical questions

Calmentor Program

Overview

- Caltrans Regional/District Consultant Services Unit (CSU) has implemented an Architectural & Engineering (A&E) mentor-protégé program, also known as “Calmentor.”
- Partnering with the American Council of Engineering Companies (ACEC), the Calmentor Program promotes partnership with the private consulting industry.
- The Calmentor Program is consistent with the Governor’s Executive Order No. S-11-06 to encourage new business, grow existing business, and promote small and emerging business contracting with the State of California.
- Calmentor supports the participation of certified Small Business Enterprise (SBE), Disadvantaged Business Enterprise (DBE), and Disabled Veterans Business Enterprises (DVBE) firms in the Central Region.
- Voluntary participation in the program is through acceptance and screening of completed applications from mentors and proteges.

Calmentor Program

Mission, Goals, and Objectives

Mission Statement

The Mission of the Calmentor Program is to increase the pool of small firms participating in transportation projects by providing them opportunities to network and partner with larger, established firms.

Goals and Objectives

- Establish a mentoring Program that pairs small firms with larger, established firms in the same field of expertise
- Enhance the growth potential of small firms
- Ensure that both small and large firms have equal opportunities to participate in transportation projects
- Establish a clear, accessible entry point for small firms that want to do business with Caltrans or other public agencies
- Develop business relationships that foster new opportunities for both large and small firms
- Encourage small firms to obtain certification from appropriate agencies
- Increase the pool of small business

Calmentor Program

Participants

Participants

- Participants of the Program are Mentors, Proteges, Sponsors, and/or Steering Committee members.
- Mentors are large, established firms who are typically prime consultants willing to commit time to help small firms achieve their growth potential.
- Proteges are small firms who are seeking A&E contracts with Caltrans or other public agencies.
- Caltrans Region District CSU is the program's primary sponsor whose aim is to facilitate the growth of small firms. Any public or local organization may join to co-sponsor the Program.

Environmental Generalist Personnel Requirements:

The Consultant's personnel shall be capable, competent, and experienced in performing the types of work in the Contract with minimal instruction. Personnel skill level should match the specific job classifications...and task complexity. The Consultant's personnel shall be knowledgeable about, and comply with, all applicable Federal, State, and Local laws and regulations.

Environmental Generalist

- Bachelor Degree in Environmental, Urban Regional Planning or related field and shall have a documented minimum three (3) years of demonstrated experience acceptable to Caltrans, equivalent to a Caltrans Associate Environmental Planner.

Biology

- Bachelor Degree in Natural Sciences field and shall have a documented minimum three (3) years of demonstrated experience acceptable to Caltrans in: (1) biological impact analysis of transportation projects including impacts to species of concern and their habitats, wetlands, or waters of the United State (U.S.); or (2) biological development and monitoring.

Environmental Generalist Personnel Requirements Continued:

Air

- The Consultant's personnel who conduct Air Quality Studies shall be knowledgeable and capable of performing Air Quality Studies, including use of common analysis models and methods such as the EMFAC 2007 and CALINE4 models (or most recent models approved), Caltrans' and FHWA's CO Protocol and PM10 and PM 2.5, Qualitative Analysis and Quantitative Guidance, and the Local CEQA analysis guidelines.

Noise and Vibration

- Bachelor Degree in Environmental, Urban Regional Planning or related field and shall have a documented minimum three (3) years of demonstrated experience acceptable to Caltrans, equivalent to a Caltrans Associate Environmental Planner.

Water

- A Degree (Bachelors, Masters, or higher) in Water Quality, Hydrology, or related Environmental Engineering field from an ABET accredited institution (College or University) or possession of a valid Engineer-in-Training (EIT) certificate issued or accepted by the California State Board for Professional Engineers, Land Surveyors, and Geologists.

Environmental Generalist Paleontological:

- The Consultant shall provide a professional Geologist licensed in the State of California State Board for Professional Engineers, Land Surveyors, and Geologists at all times during the Contract period for Paleontology work conducted under the contract. The licensed Geologist must also be qualified paleontologist with a paleontological resource Excavation Permit for the collection of vertebrate fossils issued by the Bureau of Land Management. If a license professional Geologist is not available as stated above, the Consultant must provide, in addition to a professional licensed Geologist, a qualified Paleontologist with a paleontological resource excavation permit for the collection of vertebrate fossils issued by the bureau of Land Management. The professional Paleontologist shall work under the direction of the professional Geologist licensed in the State of California in good standing with the California State Board for Professional Engineers, Land Surveyors, and Geologists at all times during the Contract period.

Environmental Generalist Paleontological Continued:

Visual

- A Degree (Bachelors, masters, or higher) in Landscape Architecture from on LAAB accredited institution (College or University). Registered Landscape Architect licensed in the State of California in good standing with the California Architects Board Landscape Architects Technical Committee at all times during the Contract period.

Standard Environmental Reference

- [Navigating the SER](#) - video tutorial

- [What's New](#)
- [SER Posting History](#)
- [Purpose of the SER](#)
- [Contact SER Staff](#)

Sign up for the [Standard Environmental Reference \(SER\) Subscription List](#) to receive an automatic notice when updates have been made to the SER.

What is the SER? The Standard Environmental Reference (SER) is an on-line resource to help state and local agency staff plan, prepare, submit, and evaluate environmental documents for transportation projects. The SER contains information appropriate to all transportation projects developed under the auspices of Caltrans, and to all local agency highway or local streets and roads projects with funding or approvals by the Federal Highway Administration (FHWA).

The Standard Environmental Reference (SER) includes:

- [Vol 1: Guidance for Compliance](#) - NEPA and CEQA documentation; a general technical resource for planners; and a compendium of applicable federal and state laws and regulations
- [Vol 2: Cultural Resources](#) - For archaeologists, historians, and other cultural resources specialists
- [Vol 3: Biological Resources](#) - For biologists and other natural resources specialists
- [Vol 4: Community Impacts Assessment](#) - Environmental Justice and other community issues
- [Vol 5: Coastal Requirements](#) - Details the coastal permitting processes
- [Policy Memos](#) that relate to the environmental process.
