

On-Call Roadway Specialty Construction Services
08CISPEC27
Outreach Q&A
April 1, 2026

Question: Does specialty construction include ground anchors, soldier piles and soil nails?

Answer: No. That is performed under a different contract.

Question: Will the attendee list and presentation slides be emailed out? How can I make sure my email address gets included on that distribution?

Answer: I will contact DPAC.

Question: Why is there a requirement for PE - on Claims Specialist and Scheduler? These staff come from the construction industry and it's CT preference usually. Please clarify the need of PE for these positions.

Answer: That is the requirement on this contract.

Question: When will the RFQ be posted in CaleProcure?

Answer: May 7th (tentative)
