

# Our Mission

Provide a safe, sustainable, integrated and efficient transportation system to enhance California's economy and livability.

## Safety and Health

Provide a safe transportation system for workers and users, and promote health through active transportation and reduced pollution in communities.

## Stewardship and Efficiency

Money counts. Responsibly manage California's transportation-related assets.

## Sustainability, Livability and Economy

Make long-lasting, smart mobility decisions that improve the environment, support a vibrant economy, and build communities, not sprawl.

## System Performance

Utilize leadership, collaboration and strategic partnerships to develop an integrated transportation system that provides reliable and accessible mobility for travelers.

## Organizational Excellence

Be a national leader in delivering quality service through excellent employee performance, public communication, and accountability.

# Our Vision

A performance-driven, transparent and accountable organization that values its people, resources and partners, and meets new challenges through leadership, innovation and teamwork.
