SUPPLEMENTARY INFORMATION: This notice includes instructions on how to submit the Certifications and Assurances and highlights the changes for FY 2012.

1. What are our responsibilities?

Several programs we administer require new certifications and assurances each fiscal year and Applicant seeks funding. We have been consolidating our list of Certifications and Assurances into a single document for annual publication in the **Federal**

Register since 1995, as required by 49 U.S.C. 5323(n). Ideally this list would be published with our apportionment notice showing our latest allocations of our annual Department of Transportation (U.S. DOT) appropriations, FTA, however, is publishing its FY 2012 Certifications and Assurances now, although U.S. DOT's full-year appropriations for our FY 2012 have not been signed into law. These FY 2012 Certifications and Assurances supersede any Certifications and Assurances published in an earlier fiscal year or any that may have appeared as illustrations in any discontinued FTA circular. After publication in the **Federal Register**, we must be sure that each Applicant has submitted adequate FY 2012 Certifications and Assurances before we may award funding to support that request.

2. What is their legal effect?

a. *Binding Commitment.* An Applicant typically acts through its certified or authorized representative (You). Nevertheless, your Applicant will be required to comply with any certifications or assurances you make on its behalf whether or not you remain the Applicant's authorized representative. Certifications and Assurances are pre-award representations required by Federal law or regulation before we can provide funding for your Applicant's project. By providing Certifications and Assurances to FTA, you and your Applicant are agreeing to comply with their terms.

b. *Length of Commitment.* Your Applicant's FY 2012 Certifications and Assurances remain in effect until its project is closed or the project property's useful life has expired, whichever is later. If your Applicant provides different Certifications and Assurances in a later fiscal year, the later Certifications and Assurances will apply to its project, except as we permit otherwise in writing.

c. *Duration.* Your Applicant may use its FY 2012 Certifications and Assurances for its funding applications to us from the time of publication in the **Federal Register** until we issue our FY 2013 Certifications and Assurances.

d. *Our FY 2012 Certifications and Assurances are an Incomplete List of Federal Requirements.* We caution that our FY 2012 Certifications and Assurances focus only on those Federal requirements the Applicant must fulfill before we may fund its project. Consequently, they omit many other Federal requirements that will apply to your Applicant and its project.

e. *Other Federal Requirements.* We strongly encourage you to review all Federal legislation, regulations, and directives that apply to your Applicant and its proposed project. Our FY 2012 Master Agreement, <http://www.fta.dot.gov/documents/18-Master.pdf>, identifies many of those requirements.

f. *Penalties for False or Fraudulent Statements.* If you or your Applicant provide any false or fraudulent statement to the Federal government, you or your Applicant may be subject to both Federal civil and criminal penalties. See:

(1) Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. 3801 *et seq.*,

(2) U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR part 31, and

(3) 49 U.S.C. 5323(l), which makes Federal criminal penalties available for violations of our requirements.

3. What are your responsibilities?

a. *Make Sure Everyone Involved with Your Applicant's Project Understands the Federal Requirements that Will Apply to Your Applicant and its Project.* Your Applicant will be responsible for compliance with all Federal requirements that apply to itself and its project. Nevertheless, people and organizations participating in its project can seriously affect your Applicant's ability to comply with those Federal requirements. All involved need to know those Federal requirements that affect their project related activities.

b. *Subrecipient Participation.* The Applicant is ultimately responsible for compliance with all Certifications and Assurances that you select on its behalf even though its project may mainly be carried out by subrecipients, except in limited circumstances when we have determined otherwise. Therefore, we strongly recommend that you take appropriate measures to assure the validity of your Applicant's certifications and assurances.

c. *Submit Your Applicant's Certifications and Assurances.* You must submit all groups of the FY 2012 Certifications and Assurances that apply to your Applicant and its projects for which it seeks funding in FY 2012, irrespective of the statutory source of the funding. For your convenience, we recommend that you submit all 24 groups. Those that do not apply to your Applicant or its project will not be enforced.

d. *Obtain the Affirmation of Your Applicant's Attorney.* You must obtain a current (FY 2012) affirmation from your Applicant's Attorney that your

Applicant has sufficient authority under its State and local law to certify its compliance with the FY 2012

Certifications and Assurances you have selected on its behalf. Your Applicant's Attorney must sign this affirmation during FY 2012. An Affirmation of your Applicant's Attorney from a previous fiscal year is unacceptable, unless we expressly determine otherwise in writing.

e. *When to Submit.* We expect to receive your Applicant's FY 2012 Certifications and Assurances within 90 days from the date of this publication or shortly after you submit your Applicant's request for FY 2012 funding (whichever is earlier) if your Applicant is applying for formula or capital program funding, or is a current FTA grantee with an active formula or capital project. If your Applicant also seeks funding for other projects, we should receive its FY 2012 Certifications and Assurances as soon as possible.

4. Where are your applicant's FY 2012 certifications and assurances?

a. Appendix A of this Notice;

b. Our Web site <http://www.fta.dot.gov/documents/2012-Certs-Appendix.A.pdf>; and

c. TEAM-Web, our electronic award and management system, <http://ftateamweb.fta.dot.gov>, at the "Cert's & Assurances" tab of the "View/Modify Recipients" page in the "Recipients" option.

d. TEAM-Web, our electronic award and management system, <http://ftateamweb.fta.dot.gov>, at the "Cert's & Assurances" tab of the "View/Modify Recipients" page in the "Recipients" option.

5. What changes have been made since FY 2011?

a. *Preface.* We have amended the third paragraph of the Preface to identify the Web site for our FY 2012 Master Agreement <http://www.fta.dot.gov/documents/18-Master.pdf>.

b. *Certification (02).* We have amended the applicability of Certification (02) to clarify that the lobbying certification does not apply to an Indian tribe, tribal organization, or other Indian organization for consistency with the applicability provision of the "Byrd" lobbying amendment at 31 U.S.C. 1352(g)(1)(B).

c. *Authority Section of this Preamble.* We have added references to the Hiring Incentives to Restore Employment Act, Public Law 111-147, March 18, 2010, the Surface Transportation Extension Act of 2011, Public Law 112-5, March 4, 2011, and the Surface and Air Transportation Programs Extension Act of 2011, Public Law 112-30, September 16, 2011. Together, these Acts extended the effective date of FTA's authorizing legislation through March 31, 2012.

6. How do I submit them?

a. Electronic Submission

We expect you to submit your Applicant's FY 2012 Certifications and Assurances in TEAM-Web. If you are registered in TEAM-Web to act on your Applicant's behalf, you must submit its Certifications and Assurances, as well as its applications in TEAM-Web.

The TEAM-Web "Recipients" option at the "Cert's & Assurances" tab of the "View/Modify Recipients" page contains fields for selecting among the 24 groups of certifications and assurances and a designated field for selecting all 24 groups.

In the "Cert's & Assurances" tab is a field for you to enter your personal identification number (PIN), which is your electronic signature. There is also a field for the Attorney's PIN, affirming your Applicant's legal authority to make and comply with the Certifications and Assurances you have selected on your Applicant's behalf. You may enter your PIN in place of the Attorney's PIN, provided that your Applicant has on file a similar affirmation written, dated, and signed by its Attorney in FY 2012.

b. Paper Submission

You may only submit your Applicant's FY 2012 Certifications and Assurances on paper if you cannot submit them electronically in TEAM-Web. You must submit the Signature Page(s) in Appendix A of this Notice indicating the groups of Certifications and Assurances your Applicant is providing if you cannot submit them electronically. You may place a single mark in the designated space to signify your Applicant's agreement to comply with all groups of certifications and assurances or select the groups of certifications and assurances that apply to the Applicant and its projects.

You must enter your signature on the Signature Page(s) and provide an Affirmation of your Applicant's Attorney concerning your Applicant's legal capacity to make and comply with the FY 2012 Certifications and Assurances selected. You may enter your signature in place of the Attorney's signature in the Affirmation of Applicant's Attorney section, provided that your Applicant has on file a similar affirmation, written, dated, and signed by its Attorney in FY 2012.

**FEDERAL FISCAL YEAR 2012
CERTIFICATIONS AND ASSURANCES
FOR FEDERAL TRANSIT
ADMINISTRATION ASSISTANCE
PROGRAMS**

PREFACE

Before the Federal Transit Administration (FTA or We) may award Federal transit assistance (funding or funds) to support a project, an authorized representative (you) of the project sponsor (Applicant) must provide certain certifications and assurances required by Federal law or regulation. You must provide all certifications and assurances required of your Applicant to support its applications for FTA funding during Federal fiscal year (FY) 2012.

We request that you read each certification and assurance carefully and select all certifications and assurances that might apply to all projects for which your Applicant might seek FTA funding. We can award FTA funding for your Applicant's project only if your Applicant provides adequate certifications and assurances on your Applicant's behalf as required by Federal law or regulation.

We have consolidated our certifications and assurances into 24 groups. At a minimum, you must provide the assurances in Group 01. If your Applicant requests more than \$100,000, you must also provide the Lobbying certification in Group 02, unless your Applicant is an Indian tribe or organization or a tribal organization. Depending on the nature of your Applicant and its project, your Applicant may need to provide some of the certifications and assurances in Groups 03 through 24. However, instead of selecting individual groups of certifications and assurances, you may make a single selection that will encompass all groups of certifications and assurances applicable to all our programs. FTA and your Applicant understand and agree that not every

provision of these certifications and assurances will apply to every Applicant or every project we fund. The type of project and Applicant will determine which certifications and assurances apply.

Your Applicant also understands and agrees that these certifications and assurances are special pre-award requirements and do not include all Federal requirements that may apply to your Applicant or its project. Our Master Agreement MA(18) for Federal Fiscal Year 2012, <http://www.fta.dot.gov/documents/18-Master.pdf>, contains a list of most of those requirements.

Except in limited circumstances, your Applicant is ultimately responsible for compliance with the certifications and assurances that apply to itself or its project irrespective of subrecipient participation in the project. Because many FY 2012 certifications and assurances will require subrecipient compliance, we strongly recommend that you take appropriate measures to assure the validity of your Applicant's certifications and assurances. Your Applicant understands and agrees that when you apply for funding on behalf of a consortium, joint venture, partnership, or team, each member of that consortium, joint venture, partnership, or team is responsible for compliance with the certifications and assurances you select on your Applicant's behalf.

We expect you to submit your Applicant's FY 2012 certifications and assurances in TEAM-Web, and its applications for funding as well. Thus you will need to be registered in TEAM-Web to act on your Applicant's behalf. The TEAM-Web "Recipients" option at the "Cert's & Assurances" tab of the "View/Modify Recipients" page contains fields for selecting among the 24 groups of certifications and assurances and a designated field for selecting all 24 groups. If you cannot submit your Applicant's FY 2012 certifications and assurances electronically, you must submit the Signature Page(s) in Appendix A of this Notice marked to show the groups of certifications and assurances your Applicant is providing.
