Transportation Asset Management
Research Program

Task Number: 2960

Start Date: August 5, 2015

Completion Date: June 30, 2021

Task Manager:
Christine Azevedo
Associate Transportation Planner
christine.azevedo@dot.ca.gov

2016 through 2020 Biennial Asset Management Conference and Training on Implementation Strategies, TPF-5(335)

Provide communication and information sharing platform among member states, to discuss research needs and research ideas.

WHAT IS THE NEED?

Section 1203 of the MAP-21 stipulates USDOT to promulgate performance measures in the areas of the National Highway Performance Program (NHPP), Highway Safety Improvement Program, the Congestion Mitigation and Air Quality Improvement Program, and the National Freight Movement within 18 months of after the date of enactment of the MAP-21. State DOTs are tasked with developing performance measure plans, which include asset management plans. The focus of this pooled fund project will be in the areas of the NHPP.

WHAT ARE WE DOING?

Preparing for the upcoming Biennial Asset Management Conference which has been postponed to June 2021 due to the COVID-19 pandemic.

WHAT IS OUR GOAL?

The objective of this pooled fund project is to provide communication and information sharing among member states. The goal is to also discuss research needs and provide research ideas to the Transportation Research Board (TRB).

WHAT IS THE BENEFIT?

Provide a technology and knowledge exchange forum

DRISI provides solutions and knowledge that improves California's transportation system

to enhance the practical knowledge of member states concerning asset management implementation and to enhance the working knowledge of the asset management community.

WHAT IS THE PROGRESS TO DATE?

Progress this quarter (includes meetings, work plan status, contract status, significant progress, etc.):

- January meeting at the TRB Annual Meeting
- February call
- March call
- All sessions reviewed and entered in Open Water (Poster and Breakout sessions determined)
- Abstract authors notified on acceptance/rejection
- Moderators selected
- Slotting of sessions to hotel meeting rooms
- Workshop topics and leaders confirmed
- Begin to identify pooled fund travelers and begin to inform them re: activities at the conference and prospective travel arrangements
- Advanced program was designed and printed for the TRB Annual Meeting distribution and for the AASHTO Washington briefing
- Contract with Rapporteur and develop schedule for tasks

Anticipated work next quarter:

- Asset Management Conference
- Planning Committee Call
- Begin postponing conference until summer of 2021
- Work with Iowa DOT to receive permission to extend the Pooled Fund
- Make the first steps with the conference hotel on issues related to postponing the conference to 2021
- Continue to monitor pandemic situation in Boston
- Develop task list if postponement occurs,

including providing patrons with their options.
