TERMS OF DEPOSIT AND PURCHASE AND SALE AGREEMENT

MINIMUM BID

The State of California, Department of Transportation (Caltrans) has agreed to consider all bids equal to or greater than the advertised starting bid. **NO BID BELOW CALTRANS STARTING VALUE WILL BE RECOGNIZED.**

BID REGISTRATION

In order to participate in this auction, **all bidders must submit a Bidder Deposit along with a completed Bid Form.** The Bidder Deposit must be in the form of a **cashier's check, money order, or certified check made payable to the California Department of Transportation.** The Bidder Deposit will be refunded by either certified mail or in-person pickup to all unsuccessful bidders immediately following the auction.

LIQUIDATED DAMAGES

The parties agree that deposits paid are a reasonable sum for liquidated damages should this transaction fail to close due to a material breach of this agreement by the Bidder, in that, when considering all the circumstances existing on the date of this agreement, it would be impracticable or extremely difficult to fix the actual damages. Bidder Deposit is considered liquidated damages if the winning bidder breaches, defaults, or withdraws after remittance of this deposit. Bidder/Registration Deposit AND Purchase Deposit are considered liquidated damages if the winning bidder breaches, defaults, or withdraws after remittance of the purchase deposit.

EXTENSION

There may be a situation wherein the winning bidder is unable to complete the terms within the time allowed for reasons beyond his/her control. Under these circumstances, Caltrans, at its discretion, may elect to extend the payment due date. A charge of 1% of the Purchase Price/Winning Bid Price per month shall be made for such extensions. This charge **SHALL NOT** be applied towards the Purchase Price/Winning Bid Price.

REJECTED AND DISQUALIFIED BIDS

Caltrans reserves the right to reject any and all offers, and to waive any informality or irregularity in any offer or to accept any offer deemed in the best interest for Caltrans at any time prior to the recordation of the Director's Deed. Any agreement between two or more prospective bidders to set their bid prices, or not to submit bids against each other, for the purpose of purchasing any parcel at a more advantageous price or terms, is prohibited. Where such an agreement comes to the knowledge of Caltrans, any bids made pursuant to such agreement will be disqualified. The above prohibitions do not preclude single bids submitted by one or more persons or entities or both partners or joint ventures or other similar legally permissible combination.

PURCHASE AND SALE AGREEMENT

After the auction the successful bidder shall sign a Purchase and Sale Agreement, for cash and shall be bound to the terms specified in the Purchase and Sale Agreement. The highest bid will be submitted to the CTC for approval.

ESCROW

Caltrans will maintain an internal escrow at no charge to winning bidder. Winning bidder may open an external escrow at his/her expense but selection of the escrow company is subject to Caltrans' approval, which Caltrans may withhold for any reason within its discretion. Should winning bidder elect to open an escrow, winning bidder and the escrow officer shall notify Caltrans by letter within 10 days from the date of the auction. The notification letters shall be mailed directly to Caltrans, Right of Way Division at the address listed on the data sheet of this brochure. Winning bidder agrees to pay any and all fees associated with the escrow, and any and all recording fees, documentary transfer taxes or any other real estate transaction fees involved in the transaction.

SUBSEQUENT HIGHEST BIDDERS

In the event the winning bidder fails to execute the Agreement within the Purchase Period or defaults in the completion of the sale, Caltrans, at its discretion, may offer the parcel to subsequent highest bidders at the high bid. If the subsequent highest bidder accepts, the deposit requirements and Terms of the Purchase and Sale Agreement shall be the same as stated in this sales brochure, except that the agreement period shall commence on the day the parcel is awarded by Caltrans to the Subsequent High Bidder.

INSPECTION INDEMNITY

Any inspection, visit and/or investigation of the property permitted by Caltrans by prospective bidders or any person/entity on their behalf (the "Inspectors") shall 1) keep the property free and clear of liens, 2) repair all damage arising from such inspection, and 3) indemnify, defend and hold Caltrans harmless from all liability, claims, demands, damages and/or costs directly or indirectly arising there from. Inspectors shall carry, or require anyone acting on Inspector's behalf to carry, policies of liability, workers' compensation and other applicable insurance, defending and protecting Caltrans from liability for any injuries to persons or property occurring during any inspection prior to close of the transaction.

INDEMNIFICATION

Winning bidder shall defend, indemnify, and hold Caltrans and Caltrans' elected and appointed officers, agents, and employees free and harmless from and against any and all liabilities, damages, claims, costs, and expenses (including and without limitation to attorney's fees, legal expenses and costs, and consultant's fees, and investigation and remediation costs) arising in whole or in part from the existence of Hazardous Substances or Hazardous Substance Conditions. The indemnity is intended to address that liability for which Caltrans may be responsible solely out of its mere ownership of

said Property. This provision shall survive transfer of the title to said Property and any rescission of said transfer.

When used in this Agreement, "Hazardous Substance" shall mean any substance whose nature and/or quantity of existence, use, manufacture, disposal of effect, render it subject to federal, state, or local regulation, investigation, remediation or removal as potentially injurious to public health or welfare, including the Comprehensive Environmental Response Compensation and Liability Act or Resource Conservation and Recovery Act as now in effect.

When used in this Agreement, "Hazardous Substance Condition" shall mean the existence on or under Property of a hazardous substance that requires remediation and/or removal and/or to be otherwise mitigated pursuant to applicable law.

NO ASSIGNMENT

Winning bidder shall not assign all or any part of his/her interest in this process without first having obtained the written consent of Caltrans. Any total or partial assignment shall not relieve winning bidder of winning bidder's obligation to this Agreement.

COMMISSIONS

Each party represents and warrants to the other party that no broker or finder or other real estate agent is entitled to any commission, finder's fee or other compensation resulting from any action on its part. Bidder and Caltrans each agree to indemnify the other and defend and hold harmless the other party from and against any loss, cost, or expense, including attorney's fees, incurred by such party, and against any claims, causes of action or the like brought by any broker, finder or similar agent for a commission or fee on account of this Agreement. This section does not prohibit a bidder from obtaining a broker at their own expense.

EFFECTIVE HEADINGS

The subject headings of the paragraphs and subparagraphs of this document are included for convenience only and shall not affect the construction or interpretation of any of its provisions.

AGREEMENT TO PERFORM NECESSARY ACTS

Each party agrees to perform any further acts and execute and deliver any documents that may be reasonably necessary to carry out the provisions in this Agreement.

All notices, requests, demands, and other communications under this Agreement shall be in writing and shall be deemed to have been duly given on the date of service if served personally on the person to whom notice is to be given or, on the second (2nd)

day after mailing if mailed to the party to whom notice is to be given, by First Class Mail, registered or certified, return receipt requested, postage prepaid and properly addressed to contact person and address listed on the data sheet of this brochure.

Any party may change its address for purposes of this paragraph by giving the other party written notice of the new address to the other party contained herein.

GOVERNING LAW

This Agreement has been negotiated and entered into in the State of California and shall be governed by, construed and enforced in accordance with the laws of the State of California and according to its fair meaning, and not in favor of or against any party.

SEVERABILITY

If any provision of this document is held invalid or unenforceable by any court of final jurisdiction, it is the intent of the parties that all the other provisions of this Agreement be construed to remain fully valid, enforceable and binding on the parties.

SURVIVAL OF REPRESENTATIONS AND WARRANTIES

All covenants, representations, warranties, and other agreements under this Agreement shall survive the Close of Escrow.

TIME IS OF THE ESSENCE

Time is of the essence and performance of this Agreement in respect to all provisions of this Agreement that specify a time for performance, and failure to comply with this provision shall be a material breach of this Agreement.

WAIVER

No breach of any provision of this Agreement can be waived unless in writing. Waiver of any one breach of a provision hereof shall not be deemed to be a waiver of any other breach of the same or any other provision, including the time for performance of any such provision. The exercise by a party of any remedy provided in this Agreement or at law shall not prevent the exercise by that party of any other remedy provided in this Agreement or at law.

LEAD WARNING STATEMENT

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

The Department of Transportation does not have any records indicating lead-based paint and/or lead-based paint hazards in the property that is being offered for sale. The purchaser is allowed a 10-day period to conduct a lead-based paint inspection or risk assessment at his/her own expense. However, the property is sold in an "AS IS" condition and no remediation will be done by the Department of Transportation. If a risk assessment is completed by a purchaser within the 10-day period on the residential property, and the purchaser decides not to exercise his/her option to purchase based on the results of the assessment, the Purchase Deposit will be refunded without interest.

In accordance with the Environmental Protection Agency (EPA) and the Department of Housing and Urban Development (HUD), effective September 6, 1996, all sellers must disclose known lead-based paint and lead-based paint hazards and provide available reports to buyers for any housing built before 1978. Each buyer will receive a pamphlet entitled "Protect Your Family from Lead In Your Home" and be required to sign a Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards Form.
