hereinafter called GRANTOR, hereby grants to the State of California, Department of Transportation, hereinafter called STATE, an easement and right of way for the purpose of constructing, reconstructing, upgrading, replacing, removing, inspecting, maintaining, repairing and operating an overhead bridge and highway for use as a public crossing, along with all necessary supporting columns, footings and appurtenances thereto (collectively, Structure), together with all abutter’s rights of access to and from GRANTOR’s remaining property to the Structure, being upon, under, over and across that real property in the [Enter name of city or unincorporated area], County of [Enter name of county], State of California, described as follows:

See Exhibit [Enter reference to exhibit], attached.

ALSO, TOGETHER with non-exclusive right of access to the easement and right of way described herein for the purpose of inspecting, maintaining, retrofitting and repairing the Structure and for inspecting the uses made of the land under the Structure by way of such roads or passageways as may now or hereafter exist on GRANTOR’s remaining property; provided, however, that STATE’s exercise of such right of access shall not unreasonably interfere with GRANTOR’s use of such roads or passageways.

RESERVING unto GRANTOR, its successors and assigns, lessees and licensees all rights in and to the airspace at an elevation higher than a plane parallel with and 30 feet above the roadway surface of the Structure as originally constructed, provided, that the use of such space shall not interfere with the enjoyment, safety and compatibility of the Structure, provided further, that GRANTOR, its lessees and/or licensees shall first secure such encroachment permits as may be required by law, which permits shall not be unreasonably withheld. Encroachment permits issued to GRANTOR or its subsidiaries or affiliated companies shall have designated across the face thereof “For Notice of Record Purposes Only”; provided however, that in case of any subsequent conveyance by GRANTOR, its subsidiaries or affiliated companies, such facilities and installations shall be subject to a standard encroachment permit.

ALSO RESERVING unto GRANTOR, its successors and assigns, the general right to use and enjoy the area of land under the Structure described herein. The general right to use and enjoy the land
by GRANTOR, its successors and assigns, shall however, be subject to the following limitations and conditions:

1. No use may be made of the area of land within the easement described herein which would impair the full use and safety of the Structure, or would otherwise interfere with the free flow of traffic thereon or would unreasonably impair the maintenance thereof.

2. No use may be made of the area of land within the easement described herein for the manufacture or storage of flammable, volatile, explosive or corrosive substances, and such substances shall not be brought onto the land except in such quantities as are normally required for the maintenance operations of occupants of the land and except as may be transported by rail or pipelines. Installation of any pipelines carrying volatile substances shall have the written approval of the STATE as to the safety and compatibility with the easement and such discretion shall not be exercised in a capricious or arbitrary manner. The use of any such substances shall be in conformance with all applicable code requirements.

3. No hazardous or unreasonably objectionable smoke, fumes, vapors, dust or odors shall be permitted, which would adversely affect the use or maintenance of the Structure or the traveling public thereon.

4. No building of combustible construction shall hereafter be constructed on the area of land under the Structure described herein. STATE shall be given the opportunity to review and approve plans for any construction within the easement area 60 days prior to the construction. No buildings, no permanent structures, and no advertising displays, may be constructed within 8 feet of the undersides nor within 15 feet (measured horizontally) of the sides of the Structure without the express written approval of the STATE. STATE shall have the discretion to determine whether such proposed construction will be inimical to or incompatible with the full enjoyment of the public rights in the easement or against the public interest, but such discretion shall not be exercised in a capricious or arbitrary manner.

EXCEPTING AND RESERVING THEREFROM all oil, oil rights, minerals, mineral rights, natural gas, natural gas rights, and other hydrocarbons by whatsoever name known that may be within or under the parcel of land hereinabove described, together with the perpetual right of drilling, mining, exploring and operating therefore and removing the same from the land or any other land, including the right to whipstock or directionally drill and mine from lands other than those hereinabove described, oil or gas wells, tunnels and shafts into, through or across the subsurface of the land hereinabove described, and to bottom such whipstock or directionally drilled wells, tunnels and shafts under and beneath or beyond the exterior limits thereof, and to redrill, retunnel, equip, maintain, repair, deepen and operate any such wells or mines, without, however, the right to drill, mine, explore and operate through the surface or the upper 100 feet of the subsurface of the land hereinabove described or otherwise in such manner as to endanger the safety of the Structure constructed on the lands.

The GRANTOR, for itself and its successors and assigns, hereby waive any and all claims for damages to GRANTOR’s remaining property contiguous to the right of way hereby conveyed by reason of the location, construction, or maintenance of the highway.

Include additional clauses (Section 6.10.00.00 of this manual), as needed.

Enter appropriate Signature Block (Exhibit 6-EX-8).
Include additional Certificates and Statements (Section 6.09.05.00 of this manual), as needed.

This Deed is made on [month] [date], 20[last two digits of year], by and between the United States of America, acting by and through the Department of Transportation, Federal Highway Administration (GRANTOR), and the State of California, Department of Transportation (GRANTEE).

**RECITALS**

1. GRANTEE has filed an application under the provisions of the Act of Congress of August 27, 1958, as amended (23 U.S.C. Section 317 and/or Section 107(d)), for the right-of-way of a highway over certain federal land in the State of California under the jurisdiction of the United States [insert Name of Federal Agency], (FEDERAL AGENCY), which land has been appropriated by GRANTOR.

2. The Federal Highway Division Administrator, pursuant to delegation of authority from the Secretary of Transportation and Federal Highway Administrator, has determined that an easement over the federal land covered by the application is reasonably necessary for a right-of-way for the construction, operation and maintenance of [describe highway], post mile [begin postmile] - [end postmile].

3. FEDERAL AGENCY, in its consent to the appropriation of the federal land, has agreed to the transfer by GRANTOR of an easement over the federal land to GRANTEE.

4. GRANTEE, with respect to activities related to the federal land, agrees that (a) no person shall, on the grounds of race, color, national origin, sex, age, disability, or religion be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination with regard to the GRANTEE's operations, programs, or activities conducted on the federal land; and (b) GRANTEE shall use the federal land so conveyed in compliance with all requirements imposed by or pursuant to

This Deed is made on [month] [date], 20[last two digits of year], by and between the United States of America, acting by and through the Department of Transportation, Federal Highway Administration (GRANTOR), and the State of California, Department of Transportation (GRANTEE).

REQUITALS

1. GRANTEE has filed an application under the provisions of the Act of Congress of August 27, 1958, as amended (23 U.S.C. Section 317 and/or Section 107(d)), for the right-of-way of a highway over certain federal land in the State of California under the jurisdiction of the United States Department of Agriculture, Forest Service (FOREST SERVICE).

2. This transfer is further authorized under the provisions of the Act of Congress approved October 15, 1966, (80 Stat. 931, 937, Section 6 (a)(1)(A)).

3. The Federal Highway Division Administrator, pursuant to delegation of authority from the Secretary of Transportation and Federal Highway Administrator, has determined that an easement over the federal land covered by the application is reasonably necessary for a right-of-way for the construction, operation and maintenance of [describe highway] (an existing highway).

4. FOREST SERVICE, in its consent to the appropriation of the federal land, has agreed to the transfer by GRANTOR of an easement over the federal land to GRANTEE.

5. GRANTEE, with respect to activities related to the federal land, agrees that (a) no person shall, on the grounds of race, color, national origin, sex, age, disability, or religion, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination with regard to the GRANTEE’s operations,

*Include additional parcel numbers here with asterisk (*) if more than fit in box above.
programs, or activities conducted on the federal land; and (b) GRANTEE shall use the federal land so conveyed in compliance with all requirements imposed by or pursuant to Title VI of the Civil Rights Act of 1964 (42 U.S.C. Section 2000d to 2000d-4) and all applicable civil rights provisions of other federal statutes.

NOW THEREFORE, GRANTOR does hereby grant to GRANTEE an easement for a right-of-way for the construction, operation, and maintenance of an existing highway, and use of the space above and below the established grade line of the highway pavement for highway purposes on, over, across, in, and upon the following described federal land of the United States within the [insert name of forest] National Forest, in the County of [insert county name], State of California described as:

**DESCRIPTION**

[Enter Legal Description Here]

*(NOTE – Legal description may be attached as an “Exhibit A”. The following two paragraphs must be contained within the Legal description. See Right of Way Manual Section 6.13.05.00 for additional information relating to Federal Land Descriptions.)*

TOGETHER with the above-described parcel(s), any and all man-made features and drainages adjacent to and appurtenant to the existing highway.

EXCEPTING from the above-described parcel(s), all frontage roads, trails, and waterways adjacent to and parallel with the roadbed of the existing highway.

*(The following paragraph to be used only if an additional map exhibit is appropriate. The exhibit designation must be changed to “B”, if used with a Legal Description designated as “A”).*

The land described above is depicted on Exhibit “A,” attached and made a part hereof, and shown as Parcel Number(s) [Parcel##, Parcel## …] on Sheets [##] through [##].

The attached real property description has been prepared by me, or under my direction, in conformance with the Professional Land Surveyors’ Act in the State of California.

TRANSFER OF JURISDICTION OF STATE-OWNED REAL PROPERTY

County of [County] APN: [APN] (Portions)

THIS AGREEMENT is made and entered into this _____day of ____________, 20__, by and between the Department of Parks and Recreation ("TRANSFEROR") and the Department of Transportation ("TRANSFEEER"), with the approval of the Department of General Services.

WHEREAS, TRANSFEROR has jurisdiction of certain real property owned by the State of California consisting of approximately _____ SF (_____ AC) as a portion of Assessor's Parcel Number(s) _______ and ________, located at/along ________, in the County of ________, hereinafter particularly described as Parcel(s) ________; and

WHEREAS, TRANSFEEER requires jurisdiction that crosses TRANSFEROR'S lands; and

WHEREAS, TRANSFEEER proposes to _______ and otherwise improve the existing State highway located adjacent to TRANSFEROR'S lands, and for such purposes proposes that jurisdiction of the real property hereinafter described be transferred from TRANSFEROR to TRANSFEEER to facilitate the maintenance, repair, and improvement of the highway, and has applied to TRANSFEROR for such transfer of jurisdiction; and

WHEREAS, TRANSFEROR desires to cooperate with TRANSFEEER and to transfer the jurisdiction of its real property for such highway purposes; and

NOW, THEREFORE, in consideration of the foregoing and pursuant to provisions of Government Code Section 14673 of the State of California, TRANSFEROR hereby transfers unto TRANSFEEER, and TRANSFEEER hereby accepts jurisdiction of the real property situated in the
County of __________, State of California, as described in Exhibit “A” and delineated on EXHIBIT “B” attached hereto and by this reference made a part hereof; and

FURTHER, TRANSFEREE agrees to pay TRANSFEROR the sum of $___________ for the transfer of jurisdiction of such lands, in accordance with the terms of the Joint Exercise of Powers Agreement, Contract Number A-13545.

FURTHER, TRANSFEROR and TRANSFEREE agree that this document and all of its attached Exhibits may be recorded with the Clerk-Recorder in the County of __________. Such recordation is at the discretion of either TRANSFEROR or TRANSFEREE and is only intended to provide constructive notice of the location of the real property and real property rights described in the attached Exhibits. The recordation of these documents is not intended to provide notice of, nor does it authorize a change in title. At the day and year first above written, fee interest title to the real property identified herein is known to be and remains vested in the State of California.

The TRANSFEREE for itself, and its assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that:

In the event facilities are constructed, maintained, or otherwise operated on the property described in this transfer of jurisdiction, for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, the TRANSFEREE will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.

IN WITNESS WHEREOF, the parties hereto, by their duly authorized respective officers, have executed this Agreement the day and year first above written.
