Florencia Allenger, Caltrans HQ, gave a summary of the item before the Committee:

- Interim approvals that were active during the previous edition of the National MUTCD were terminated when the 11th edition was released (the provisions of those interim approvals were incorporated into the 11th edition).
- Currently Caltrans is reviewing the 11th edition for adoption into the new CA MUTCD. In the meantime, we want to incorporate the provisions of those terminated interim approvals into the current CA MUTCD so we can continue utilizing them.
