

Meeting Date: August 7, 2025 Item Number: 25-07	From: Timothy Kong, Caltrans
Sponsored By: Amjad Obeid, Caltrans	Presented By: Timothy Kong, Caltrans
Description: Interim Approval (IA-23), for the optional use of the Residential Driveway Temporary Signal along a two-lane, two-way road segment to control traffic entering from residential driveways under certain limited conditions.	

Recommendation:

Motion by the committee to recommend Caltrans application to the FHWA for a blanket approval for any California agency to use Interim Approval (IA-23).

Agency Making Request/Sponsor:

Timothy Kong, Caltrans / Amjad Obeid, Caltrans

Background:

On January 8, 2025 Interim Approval (IA-23), for the optional use of the Residential Driveway Temporary Signal along a two-lane, two-way road segment to control traffic entering from residential driveways under certain limited conditions, was issued by FHWA (https://mutcd.fhwa.dot.gov/resources/interim_approval/ia23/ia23.pdf).

Caltrans, following CTCDC recommendation, will request FHWA for approval to use the IA-23 on a blanket basis statewide, including all local jurisdictions within California.
