##### **25-08: CA MUTCD 2026, Part 2 (Signs)**

Chapters 2M and 2N were reviewed.

Comments:

- **2M.103, Par 04, 06** (Vice Chair Welday) There is some language there that basically says that local agencies will install, or place signs as requested. I don't know if there is any legislative support requiring a local agency to install the signs on local streets. I would ask that Caltrans review the language and if there isn't any legislative support for the requirement maybe make it a guidance that they may as opposed to that they will place the signs.
- **2M.02, Par 41 (Land Recreation)** (Tony Powers) It says "The trail, (Bicycle D11-1) sign may be used for identifying bicycle trails" There is no trail sign. D11-1 is a bike route sign. It says to be used for identifying bicycle trails, but bicycle trails are not defined anywhere in the MUTCD. It is not clear if the intent here is to provide allow it for signage on mountain bike trails or something like that or whether it's just misusing the term for a class I bikeway or a multiuse path.
- **2M-10 Par 14-17**(Tony Powers) This is all about how the signs are paid for and I am questioning whether that really belongs in the manual I know there is a lot of direction in the dedicated sign section on how to determine whether a sign can be placed but I think this is the only place where it talks about funding for the signs and it doesn't really seem like its within the purview of the Manual.

**MOTION:** Mr. Scharf made a motion that Caltrans will bring back the resolution of the questions raised and then us to take action on part M at a later date. Mr. Miller seconded the motion. The Motion passed by majority votes. Mr. Maly (Caltrans) opposed the motion.

**MOTION:** Mr. Scharf made a motion to approve chapter N. Vice Chair Welday seconded the motion. The Motion passed unanimously.

- Mr. Lozano-Cisneros presented Caltrans responses to outstanding CTCDC comments for Chapter 2B.

**MOTION:** Mr. Scharf made a motion to accept the Caltrans' addressing of Section 2B and move forward. Mr. Miller seconded the motion. The Motion passed unanimously.
