California Traffic Control Devices Committee (CTCDC)
Agenda Item Report

Meeting Date: November 5, 2026 **Item Number:** 24-05	**From:** Bob Bronkall, Humboldt County
Sponsored By: Bob Bronkall, Humboldt County	**Presented By:** Bob Bronkall, Humboldt County
Description: Formation of a Class IV bikeway sign ad hoc committee	

Recommendation:

Motion by the committee to recommend formation of an ad hoc committee to investigate, analyze, and develop recommendations regarding Class IV bikeway signs.

Background:

A sign proposal for Class IV bikeways (cycle tracks or separated bikeways, for the exclusive use by bicyclists and are separated from vehicular traffic by means such as grade separation, flexible posts, inflexible physical barriers, or on-street parking (Streets and Highway Code 890.4)) was presented by John Liu (Caltrans) to the CTCDC on May 2, 2024. See CTCDC agenda item 24-05.

There was discussion on the item (see 5/2/24 CTCDC Meeting Minutes), leading to a motion to continue the discussion.

This proposal moves the item forward by recommending that a small group of subject matter experts, from local agencies, the public, Caltrans, and FHWA, form an ad hoc committee to investigate, analyze, and develop recommendations regarding Class IV bikeway signs.
