March 8, 2018

Mr. Robert W. Bronkall, Chair  
California Traffic Control Devices Committee  
P.O. Box 942874, MS-36  
Sacramento, CA 94274-0001

Dear Mr. Bronkall:

Effective March 9, 2018, the California Department of Transportation (Caltrans) will be updating the California Manual on Uniform Traffic Control Devices (CA MUTCD) 2014 Revision 2 to provide uniform standards and specifications for all official traffic control devices in California. This action was taken pursuant to the provisions of California Vehicle Code Section 21400, and the recommendations of the California Traffic Control Devices Committee (CTCDC).

Caltrans received a letter from the Federal Highway Administration (FHWA) confirming substantial conformance of the CA MUTCD 2014, Revision 3 edition. The revised CA MUTCD includes the FHWA's Manual on Uniform Traffic Control Devices, policies on traffic control devices issued by Caltrans since April 7, 2017, and other corrections and format changes. The CA MUTCD revision is available on the Internet at [www.dot.ca.gov/trafficops/camutcd/](http://www.dot.ca.gov/trafficops/camutcd/).

The Division of Traffic Operations appreciates the CTCDC members providing their invaluable time, support, guidance and direction in the development of this version of CA MUTCD.

If you have any questions or concerns, please contact Mr. Vijay Talada, CA MUTCD Editor and CTCDC Executive Secretary at (916) 653-1816, or by email sent to [vijay.talada@dot.ca.gov](mailto:vijay.talada@dot.ca.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Jasvinderjit S. Bhullar".

JASVINDERJIT S. BHULLAR, Chief  
Division of Traffic Operations

c: Vijay Talada, CA MUTCD Editor, Division of Traffic Operations, Caltrans
