Join your transportation safety partners for the upcoming SHSP Virtual Fall Regional Workshop series. These interactive virtual workshops will feature an overview of regional transportation safety trends, best practices for saving lives along our roadways, the Safe System Approach, Integrating Equity, funding opportunities, updates about the 2020–2024 California SHSP, and more.

There will be six workshops covering the greater Bay Area, Redding, Los Angeles, Sacramento, San Diego, and Fresno regions. The regional workshops are for all transportation safety professionals in the public, private, and non-profit sectors — including those in the fields of education, enforcement, engineering, emergency response, emerging technologies, and community engagement.

The dates for each region are as follows:

- **Bay Area:** Tuesday, September 27
- **Redding:** Wednesday, September 28
- **Los Angeles:** Thursday, September 29
- **Sacramento:** Tuesday, October 11
- **San Diego:** Wednesday, October 12
- **Fresno:** Thursday, October 13

Follow the registration link(s) above to sign up for the region(s) of interest to you. All workshops will take place from **9 a.m.–12 p.m. PDT**. We highly encourage you to participate in the workshop(s) that best aligns with your work as content will be specific to each region.
