

Caltrans Active Transportation Resource Center (ATRC) Contract Updates – FY 24/25 Q3

ATRC Contract Title	Contractor	Status	Start Date	End Date	Notes
California Department of Public Health (CDPH) Interagency Agreement	California Department of Public Health	Active	June 1, 2025	May 31, 2028	<p>CDPH continues to support the <a href="#">Active Transportation Resource Center</a> (ATRC) and Caltrans ATP staff by providing non-infrastructure (NI) and public health expertise to all ATP applicants and awardees. Tasks include, but are not limited to, involvement with the ATP needs assessment, resource development, trainings, non-infrastructure technical assistance and collaboration and partnership building to support increased use of active transportation.</p> <p><b>Next Steps:</b> Provide ATRC newsletter content, deliver <i>Using Health Data to Strengthen Your Active Transportation Program Application</i> webinar, and developing a Bike Rodeo Guide.</p>
Active Transportation Resource Center - 2023	UC Davis/CSULB	Active	January 10, 2024	June 29, 2026	<p>UC Davis continues to develop and distribute the monthly ATRC Newsletter and additional information and resources via the <a href="#">ATRC website</a> and <a href="#">listserv</a>, facilitate the <a href="#">ATP Technical Advisory Committee</a> and planning and coordination for the <a href="#">California Active Transportation Program Symposium</a>.</p> <p><b>Next steps:</b> Host the California Active Transportation Program Symposium in October. Develop and offer Introduction to Active Transportation Planning and Design training. Continue to coordinate, host, and present at a variety of ATP related meetings. Update and maintain the ATRC Website.</p>
ATP Evaluation and Evaluation Technical Assistance	Nelson/ Nygaard Consulting	Active	September 22, 2022	March 31, 2026	<p>Contractor developed a framework for ATP project success metrics beyond the current sole metric of user counts. Webinars were</p>

					<p>held, and recordings added to the <a href="#">ATRC website</a> for the metrics. Project will provide technical assistance to local agencies to utilize finalized framework. Delivered project profiles for completed ATP projects.</p> <p><b>Next steps:</b> Work with agencies seeking technical assistance on Counts+ optional project performance indicators and tools.</p>
Statewide Active Transportation Counts Database	UC Berkeley SafeTREC	Active	October 3, 2023	May 31, 2026	<p>Contractor is developing a statewide pedestrian and bicycle count database and consistent methodologies for the collection and reporting of before/after project count data.</p> <p><b>Next steps:</b> Continue developing database structure to meet statewide needs. Start outreach and discussion around update to the Interim Count Methodology Guidance, revised by Caltrans in 2019.</p>
UC Davis ATP Benefits/Cost Calculator - Phase 2	UC Davis	Active	August 28, 2024	December 30, 2025	<p>The first phase of the contract is complete, and the tool is located <a href="#">here</a>. The Contractor is expanding and refining tool functionality. A key aspect of the second phase of project will be to add project benefit monetization to the tool.</p> <p><b>Next steps:</b> Conduct validity tests, identify suggested changes, update calculations within the webtool, and update the technical documentation. Conduct virtual training on the tool and a final report for posting online.</p>
