NOTES:

* No fee for the first vest. A replacement vest will be issued upon payment of the vest fee of \$60.

** For wireless installations on conventional highway right-of-way that doesn’t require lease and are processed through Encroachment Permits Office, a fee schedule with Deposit of 6 hours and Review and Inspection of “AX” must be followed.

AD – Caltrans Project Manager or Administrative Permit Project Administrator will manage fees or costs associated with these projects.

AX – Actual expenditures must be collected.

DEF – Deferred Billing (Utilities only). Deposit of 6 hours and Review and Inspection of “AX” must be followed if a utility permit is being applied for by a non-utility entity (see Section 603.5 of the Caltrans Encroachment Permits Manual).
