In light of the Novel Coronavirus (COVID-19) pandemic, the in-person Summit is being postponed to a date later this year. The Summit was scheduled for May 20, 2020 and a new date will be provided when it is determined that large gatherings are allowed. The health and safety of our stakeholders and communities remains our highest priority. We will continue to monitor the developments of this dynamic situation and will provide updates as they are available.

**Location:**

Hilton Sacramento – Arden West

Join us as we kick off the implementation of the 2020–2024 California Strategic Highway Safety Plan (SHSP)!

The SHSP Steering Committee invites you to participate in California’s 2020 Traffic Safety Summit. The 2020 Traffic Safety Summit will focus on collaboration across the 5 Es, as outlined in the SHSP:

- **EDUCATION**
- **ENFORCEMENT**
- **ENGINEERING**
- **EMERGENCY RESPONSE**
- **EMERGING TECHNOLOGIES**

Join us for the opportunity to meet and network with agency executives, collaborate with other traffic safety experts across the 5 Es, increase your network of California traffic safety stakeholders, and learn how you can help California move Toward Zero Fatalities and Serious Injuries!

Registration information will be provided when further details on the rescheduled event are available.

The SHSP is a comprehensive, statewide transportation safety plan, which provides a framework for reducing fatalities and serious injuries across all travel modes and on all public roads.

Visit our website, dot.ca.gov/programs/traffic-operations/shsp to learn more about the program.
