TRANSPORTATION PERMIT

IN COMPLIANCE WITH YOUR REQUEST AND SUBJECT TO ALL THE TERMS
CONDITIONS AND RESTRICTIONS WRITTEN BELOW AND IN THE
ACCOMPANIMENTS, PERMISSION IS HEREBY GRANTED TO:

ADDITIONAL CONDITIONS:

1. Permit expires upon the earlier occurrence of: 60 days from the date of permit issuance; December 31, 2021; or upon written notice from Caltrans of revocation of the permit.
2. A misdemeanor violation of 35784 CVC exists when all required accompaniments, provisions or conditions are not met.
3. Permit is only valid on State Routes excluding restricted bridges listed and is not valid on Interstates. The permittee shall reimburse the California Department of Transportation for all costs and expenses incurred by the Department to conduct inspections of facilities, roadways, structures, and/ or appurtenances as a result of non-compliance with this condition.
4. Permit is valid for loads composed of any perishable agricultural products including farm goods that prior to processing cannot be stored for a substantial period of time without excessive loss through deterioration or spoilage. Other mixed cargo is not permitted.

The load is composed of products that meets this condition:(*) Yes No

List all perishable agricultural products or farm goods that will be hauled under this permit:
(*)

5. The permittee is responsible for reviewing the routes to ensure no conflicts with any laws, regulations, or ordinances exist while transporting perishable agricultural products.
6. The permittee will provide a 30-day report (Route Information Log) providing the origin location, destination location and the route that was taken from origin to destination. This spreadsheet log must be submitted within 5 days of the 30-day period.
7. Non-compliance with any terms or conditions of this or any previously issued Transportation Permit authorizing excess weight loads for certain agricultural freight trucks will result in revocation of the permit and/ or denial of an application for such permit.

TRANSPORTATION PERMIT

IN COMPLIANCE WITH YOUR REQUEST AND SUBJECT TO ALL THE TERMS
CONDITIONS AND RESTRICTIONS WRITTEN BELOW AND IN THE
ACCOMPANIMENTS, PERMISSION IS HEREBY GRANTED TO:

ADDITIONAL CONDITIONS (Continued):

- 8. Permit is not valid on County/ City Roads. Carrier must contact County or City jurisdictions for local permits.

- 9. The permittee is responsible for all liability for injury to, or death of person, or damage to property which may occur through any act or omission of either the permittee or the State of California arising from the issuance of this permit. In the event of any claim, suit, or action is brought against the State of California, its officers, employees, or agents from such claim, suit, or action, including all costs, expenses, and fees incurred by the State of California.

- 10. In accepting this permit, the permittee agrees to repair at their own expense and to the satisfaction of the Department, any damages to highway appurtenances or structures resulting from travel under this permit. Notwithstanding, work or repair may be conducted or performed by the Department at the option of the Director of the Department, the cost to be borne by the permittee. The permittee shall also be responsible for and reimburse the Department for all costs and expenses incurred by the Department to inspect the damage and/ or repairs to the appurtenances or structures, whether or not the Department opts to conduct or perform the work or repair. In the event of damage to State highway facilities such as bridges, traffic signals, light standards, and other appurtenances, a written report must be filed with the Department within 72 hours after such damage has been done. Failure to make this report will be considered cause for revocation of the permit pending a satisfactory arrangement with the Department for repair or replacement of the damaged facility.

- 11. This permit is being requested for the following reason(s): (*)
 - _____ Temporary driver shortage due to the COVID-19 pandemic
 - _____ Other, please explain (use additional sheets if necessary)

- 12. The permittee is required to fill out all sections with an asterisk (*).
