# **Transit Maintenance**

# **Listening Session**

- Purpose of meeting

# New Caltrans Support for Transit

## TRANSIT MAINTENANCE LISTENING SESSION

With the release of the Caltrans Director's Policy on Transit (DP-40), the Department is working to develop the Transit Implementation Plan to effectively enact the goals and objectives outlined in the policy. As a step towards developing the Caltrans Transit Implementation Plan, this meeting will gather feedback from external stakeholders related to transit maintenance.

Transit Guidance with Performance Metrics	January 2027
District Transit Plans	February 2027

# Caltrans Maintenance Program

Vu Nguyen, add your title here

# Slide Content Requested

- Discuss what Maintenance has done so far with the Complete Streets Program
- Discuss what's needed to do the same for transit in the future
- Not committing to anything, just summarizing what has been done so far with CS and what data would be needed for future transit maintenance.
- ~10 minutes in length

# DDS Transit Stop Data Collection

Uriel Fojas, Eric Dasmalchi  
Add title here

# Slide 12

- Provide information on the transit stop data collection effort
- ~10-15 minutes in length
