

ADA REMEDIATION VENDORS

Vendors that specialize in remediating PDFs for ADA compliance, with links to their websites:

DGS Office of State Publishing (OSP) ADA

State agencies may request ADA remediation (for a fee) for their electronic documents to make them accessible to screen readers, allowing the visually impaired to hear an auditory version of the text and images.

[Request ADA Document Remediation](#)

Accessibility Innovations

Expert PDF remediation to meet ADA, WCAG, and Section 508 standards through tagging, structure correction, reading order, alt-text, and QA.

[Accessibility Innovations – PDF Remediation Services](#)

Accessible.org

Full-service PDF remediation including OCR, tagging, alt-text, table structure, forms, metadata, bookmarking, and QA to WCAG 2.2 AA, PDF/UA, Section 508, and ADA.

[Accessible.org – PDF Remediation Services](#)

Allyant (CommonLook)

Enterprise-grade remediation via CommonLook PDF software or services—AI-powered tagging, editing paths, PDF/UA, WCAG, ADA, Section 508 compliance, plus 7-day trial.
